Dear Secretary-General,

I am pleased to confirm that **Labcorp Early Development Services GmbH** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **Labcorp Early Development Services GmbH** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to reporting our CoP starting the calendar year after joining and annually thereafter by providing relevant information to our reporting parent company **Labcorp Central Laboratory Services Sàrl Switzerland** and/or completing an individual CoP, specific to our subsidiary, in accordance with the UN Global Compact Communication on Progress Policy.

Sincerely yours,
